Chicago, IL 60606

Dear Sir:

I have communicated with you on several occasions about your inspection report of our Trekker Chemical, Mendota, Illinois facility.

Todate I have not received anything from you or the EPA in response to my communications.

If you are not able to help me please advise me so I can take appropriate steps to obtain your report.

I can be reached on 932-2122.

Yours truly,

A. W. Logan
